Dear Nicholas

RE: APPROVAL OF SIGNIFICANT CHANGE(S) TO YOUR AIR OPERATOR'S CERTIFICATE (AOC) OR ORGANISATION - AOC Significant Change - No reissue - PSEA Operations for C208 and Appointment of Key Personnel

I refer to your application dated 13 January 2022 for approval of significant change(s) to your Air Operator's Certificate or organisation.

Your application was assessed against the requirements of subregulation 119.070(1) and is subject to regulation 119.090 which prevents the making of any significant changes without the prior approval of CASA.

Key personnel changes are as follows:

- Nicholas Stobie (ARN: 790417) as Head of Training and Checking

CASA is satisfied that, after making the change(s), the requirements mentioned in subregulation 119.070(1) of the *Civil Aviation Safety Regulations 1998* and section 28 of the *Civil Aviation Act 1988* will continue to be met.

In accordance with regulation 119.095 of the CASR, the delegate of CASA has approved the significant change(s) to your AOC or organisation.

Please be advised that the change does not require your AOC to be re-issued.

If you should require additional information or guidance on any of the above matters, please contact the Regulatory Oversight Division at regservices@casa.gov.au.

Yours faithfully
